looked as if Dayville would tie the score in the eighth when they got four runs, but the final result favored the Andems.

Dayville presented a new and strengthened lineup. "Danny" Murphy, the clever third sacker of the Norwich Tataville team, has joined the team and fills up a big hole in the team. L'heureux of Jewett City is also with the Browns and the team is expected to be regarded as a hard nut to crack. One of the features of Saturday's game was the work of G. Johnson, who accepted 19 chances without an error. Dayville was very much dissatisfied with the work of Umpire White and will protest against his being used in any future games where Dayville participates.

BACCALAUREATE SERMON.

Delivered by Rev. J. R. Stubbart at Baptist Church.

"The Strenuous Life" was selected by Rev. J. R. Stubbart as his subject for the baccalaureate sermon before the graduating class of Putnam High school, and an audience that taxed the capacity of the Baptist church Sunday evening. The invocation was by Rev. John W. Walker, pastor of St. Alban's Episcopal church.

Prayer was offered by Rev. Frank D. Barrett, pastor of the Methodist church, and by Rev. E. W. Belcher of the Methodist church. The singing of American hymns preceded the benediction, which was pronounced by Rev. G. A. Ferguson, pastor of the Adventist church. The service followed this order:

\$150,000 INCREASE.

State Board of Equalization Boosts Property Valuation.

Of all the towns in Windham county, with the one exception of the town of Windham, Putnam was given the steepest rise in property valuation by the state board of equalization. The increase amounts to \$150,000. If outward indications are a true measure of inward sentiment, the big increase is being taken with good grace. At least there has been no outcry against this increase.

Going to Norwich to See Taft.

Present indications are that Independence Day is going to be very quiet in Putnam. Plans for a public celebration have been made, but as business will be suspended almost entirely, the chances are that many citizens will be absent.

The presence of President Taft at Norwich will attract a large number to that city.

City Notes.
